Crochet Pattern

By Svetlana Pertseva

Skill level: Experienced

Anfisa the Cow

About this pattern

The toy is crocheted in continuous spirals without joining the rounds. You will need a stitch marker to keep track of where the beginning of each round starts. Move the marker up to the first stitch of the next round after finishing the previous one.
If you don't have a stitch marker you can always use a scrap of contrasting yarn instead. You can see it in my photos.

I use USA terminology for my pattern (don't worry if you use UK terms, all the differences are explained in the pattern).

Finished size

Approx. 10 cm/3.9 inches tall and 6 cm (2.4 inches) tall using the materials stated in the pattern.

Happy crocheting!

Materials and tools

- ✓ Main yarn – I used approximately 20 g of white mohair yarn that has approximately 600 m in a 100 g skein for the main parts and small amounts of cotton yarn that has approximately 800 m in a 100 g skein: pink for the muzzle and the udder and brown for the hooves (if you prefer them crocheted). All yarn should crochet to approximately the same gauge. Your choice of yarn for the tail tip, I used a thin beige. Your choice of yarn for the horns.

  You can use any moderately fluffy yarn (wool, acrylic, etc) for the main parts and plain yarn for the muzzle and the udder. The thicker the yarn, the bigger your toy will be. If you want to make a smaller cow, use yarn that has approximately 800 m in a 50 g skein

- ✓ Matching crochet hook. I used 1.5 mm crochet hook for the bigger cow and 1.25 mm crochet hook for the smaller cow.
- ✓ Two ready-made eyes – I used 2-3 mm across. Or you can use black beads (1-2 mm in this case) and white polymer clay instead.
- ✓ Brown polymer clay and the varnish if you prefer hooves and horns made of clay. You will then not need the yarn mentioned above in this case.
- ✓ Single core copper PVC electrical wire – I used wire approximately 150 cm / 59 inches long 0.8 mm in diameter.
- ✓ Transparent glue
- ✓ Adhesive fabric tape approximately 1 cm wide to wrap the wire ends.
- ✓ Stuffing
- ✓ Any material to tint the toy - I used black felt-tip fabric marker

Tip (make it right)

If there are no special notes, the toy is crocheted under both parts of the loop. In some rows, there are special notes: 'into the front loop only' or 'into the back loop only'. In that case, you need to follow these instructions.

Tip (make it right)

When making toys the right side looks like this:

And the backside looks like this:

Abbreviations

ch(s) = chain(s)
st(s) = stitch(es)
sl st = slip stitch
sc(s) = single crochet(s)
inc(s) = increasing(s) (2 sc in 1 st)
dec(s) = decreasing(s) (sc2tog)
double inc = 3 sc in one st
Rnd = round

If there is a record in the brackets in the pattern, multiplied by some number, for example (3 sc, 1 inc) x 3, it means you need to repeat this action 3 times, that is 3 sc, 1 inc, 3 sc, 1 inc, 3 sc, 1 inc.

TIP (yarn)

If you use different yarn, the toy will be bigger or smaller and you will need more or less yarn and wire than stated in the pattern (i.e. thicker yarn will produce a larger toy and you may require more yarn).

Tip (gauge)

When making toys, you should use a much smaller hook than recommended for the yarn you choose.
Make sure you crochet tight enough; otherwise, the stuffing will show through the holes.

USA/UK terminology comparison chart.

Abbreviations USA	Abbreviations UK
ch - chain	ch - chain
sc - single crochet	dc - double crochet
hdc - half double crochet	htr - half treble
dc - double crochet	tr - treble
tr - treble (triple crochet)	dtr - double treble
dtr - double treble	tr tr - triple treble

Other differences in crochet terminology used:

Terminology USA	Terminology UK
fasten off	cast off
skip	miss
gauge	tension
yarn over (yo)	yarn over hook (yoh)

Skill levels

Projects for first-time crocheters using basic stitches. Minimal shaping.

Projects using yarn with basic stitches, repetitive stitch patterns,
simple color changes, and simple shaping and finishing.

Projects using a variety of techniques, such as basic lace patterns or color patterns, mid-level shaping and finishing.

Projects with intricate stitch patterns, techniques and dimension,
such as non-repeating patterns, multi-color techniques, fine threads, small hooks, detailed shaping and refined finishing.

Tip (shift stitch)

While working, you will need to keep the work symmetrical. As the work tends to twist to the right you need to adjust the position of the marker periodically (beginning of round). If you notice that the marker moves right, you need to work one extra stitch (or more) at the end of the round and move the marker for one stitch (now the 2nd st of the round becomes 1st). If you notice that the marker moves left, you need to unravel one stitch (or more if needed). This is a shift stitch – it is not included in the description of the rounds.

Usually you have to do shift stitches every 3-5 rounds (depending on the yarn, hook and your gauge). To check if it is time to work shift stitch(es), fold your work in half and check if the marker still goes straight.

You should keep the marker in a straight line on some parts of the toy. Instructions for the marker are given in the description of each part of the toy if needed.

Gauge (if you want the toy to be the size mentioned in the pattern)

Crochet swatches using your main yarn and matching crochet hooks to make sure that you have chosen the right yarn and hook for the size mentioned in the pattern.

Instruction for the swatch:

Rnd 1: 6 sc in a magic ring

Rnd 2: 6 inc = 12 sts

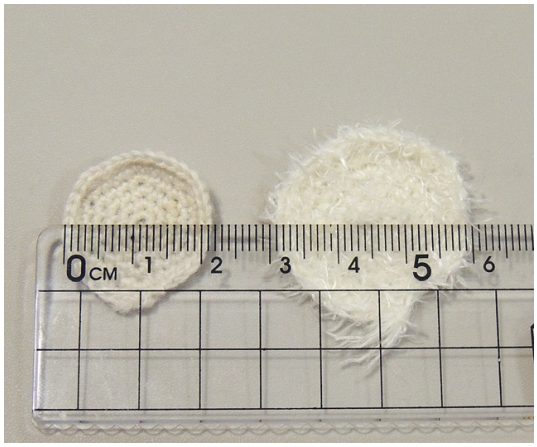

Rnd 3: (1 sc, 1 inc) x 6 = 18 sts

Rnd 4: (2 sc, 1 inc) x 6 = 24 sts

Rnd 5: (3 sc, 1 inc) x 6 = 30 sts

Rnd 6: (4 sc, 1 inc) x 6 = 36 sts

Compare your swatches with the swatches in the next picture. The big swatch is for the bigger cow and the small swatch is for the smaller cow. Make 1 swatch with your main yarn and one with the yarn you have chosen for the muzzle, the udder and the hooves (if you prefer them crocheted), they should be the same size. If not, take a bigger or smaller hook than you used before (depending on the result) and work another swatch. If it does not help – choose different yarn and make another swatch.

Need help?

If you need any help with this pattern you are welcome to ask questions in our Ravelry group.

https://goo.gl/3etv5n

Search for the thread about this pattern using pattern name.

People who have already made this toy may be able to help you with this project.

Note! This pattern can be worked inside out as I did (except for the udder, and the legs), or with the right side out (except for the ears).

Udder

There is no need to keep the marker straight.
Do not stuff the teats. Stuff the udder softly.
with pink yarn

Teats (make 4)

Rnd 1: 6 sc in magic ring = 6 sts
If you prefer smaller teats, crochet rnd 1 and 2, skip rnds 3-4, then continue with rnd 5 and 6.
Rnds 2-4: 1 sc in each st around = 6 sts
Rnd 5: 1 dec, 4 sc = 5 sts
Rnd 6: 1 dec, 3 sc = 4 sts
Sl st, fasten off and hide end.

Main part

Rnd 1: 6 sc in magic ring = 6 sts
Rnd 2: 6 inc = 12 sts
Rnd 3: (1 sc, 1 inc) x 6 = 18 sts

Rnd 4: (3 sc, work 2 sc hooking through the sts of the teat and the udder, 1 sc, 1 inc, work 2 sc hooking through the sts of the teat and the udder) x 2 = 20 sts

Rnd 5: (3 sc, 2 sc along the unworked sts of the teats) x 4 = 20 sts
Rnds 6-8: 1 sc in each st around = 20 sts
Rnd 9: (1 dec, 2 sc) x 5 = 15 sts
Rnd 10: (1 dec, 1 sc) x 5 = 10 sts
Sl st, fasten off and hide end.
