Tip (gauge)

When making bookmarks, you should use a much smaller hook than recommended for the yarn you choose.

Tip (stitches)

If you are a beginner crocheter you can see “Appendix” at the end of the pattern for reference how to crochet a particular stitch.

Tip (abbreviations)

If there is a record in the brackets in the pattern, multiplied by some number, for example (3 sc, 1 inc) x 3, it means you need to repeat this action 3 times, that is 3 sc, 1 inc, 3 sc, 1 inc, 3 sc, 1 inc.

Tip (make it right)

If there are no special notes, the bookmark is crocheted under both loops. In some rows, there are special notes: ‘into the front loop only’ or ‘into the back loop only’. In this case, you need to follow those instructions.

How to read this pattern

If you see **Rnd 2:** 6 inc (12 sts), sl st, ch 1

Read it like this:

In second round work 2 single crochet in next st, repeat this instruction 6 times, make sure you have crocheted 12 stitches in this round, 1 slip stitch in first stitch of this round to join, chain 1.

TIP: *You can use “Print friendly version (no pictures)” at the end of the pattern.*

Cheeks (make 2)

Work with thin white yarn using 1 mm hook.

Rnd 1: Ch 2, 7 sc into the first ch to form a ring, 1 sl st into the first ch to close the ring, ch 1

Rnd 2: 7 inc = 14 stitches, 1 sl st to join the round, ch 1

Rnd 3: (1 sc, 1 inc) x 7 times = 21 sts, 1 sl st to join the round, ch 1

Rnd 4: 21 sc, 1 sl st to join. Fasten off leaving a long tail for sewing the cheek onto the head.

Eyes (make 2)

Appendix 1

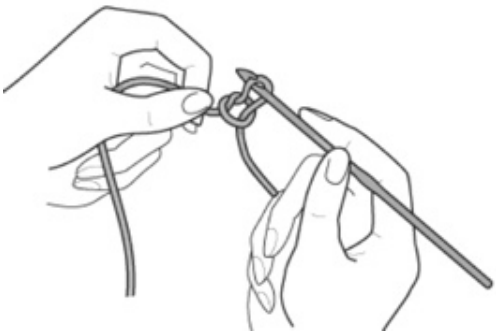
USEFUL STITCHES

Slip knot

Loop the yarn around your left index finger.

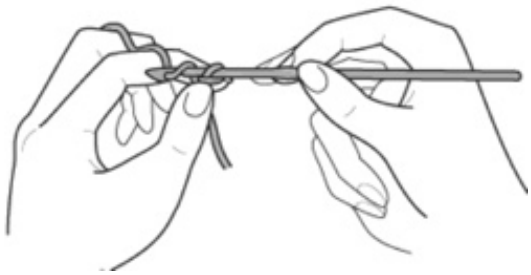
Slip the yarn from your finger and hold the loop between your thumb and index finger.

Use the crochet hook, held in your right hand, to draw the loop up and around the hook.



Chain

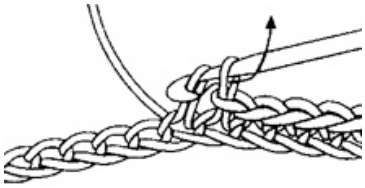
Start with slip knot, yarn over, pull the strand of yarn though the loop on your hook – you've got one chain.



Continue to repeat the process to create more chains.

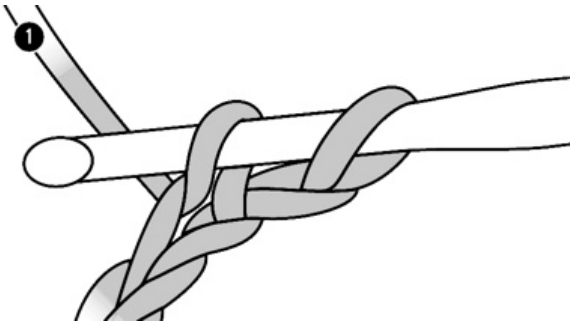
Slip Stitch

Insert the hook in the next chain, yarn over and pull the strand of yarn through the chain and the loop on the hook.

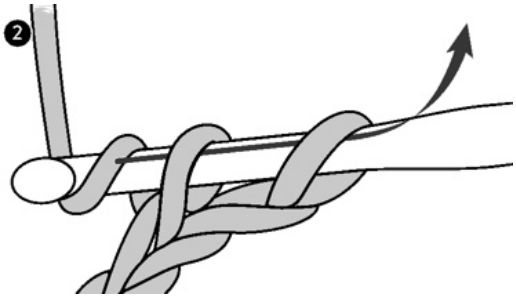


Single Crochet

Insert the hook into the chain, yarn over, pull the strand of yarn through the chain.



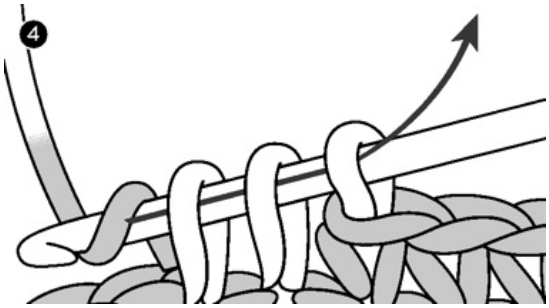
Yarn over again and pull the strand of yarn through both loops on the hook.



Starting from round 2 insert the hook in the stitch of previous round.

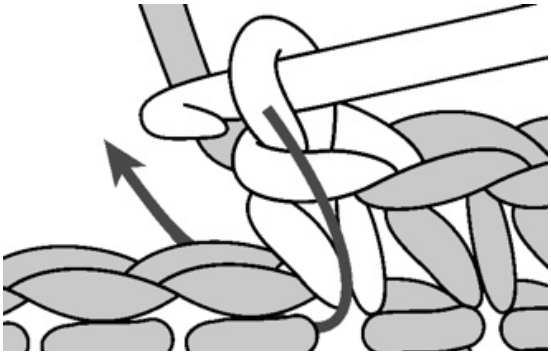
Decrease

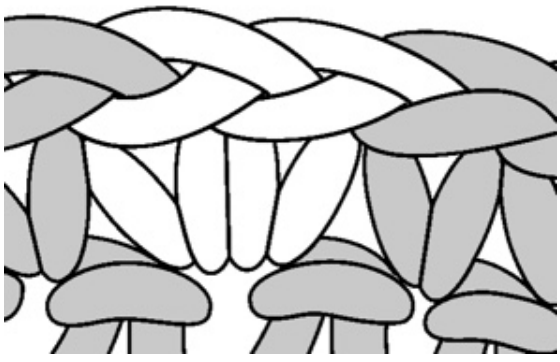
In the place where you need a decrease pull up a loop in next 2 stitches of previous round, yarn over, pull the strand of yarn through all 3 loops on the hook, counts as one single crochet.



Increase

Make 2 single crochets in 1 stitch of previous round.

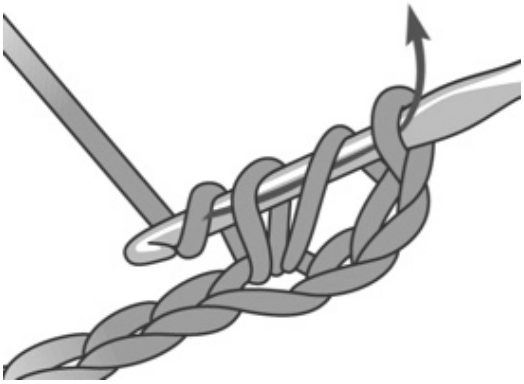




Half double crochet (hdc)

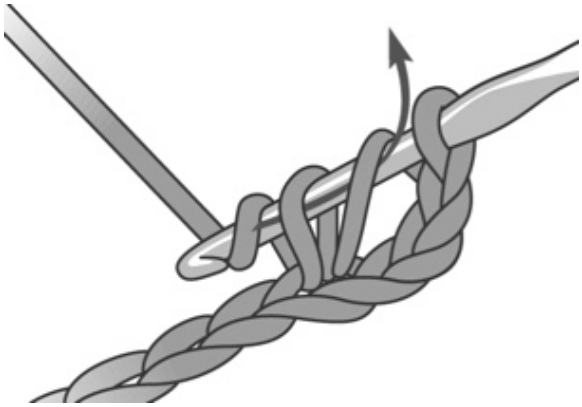
Yarn over, insert the hook in the chain or in the stitch of previous round and pull the yarn through.

Yarn over again, and gently pull the wrapped hook through the center of all 3 loops on your hook.

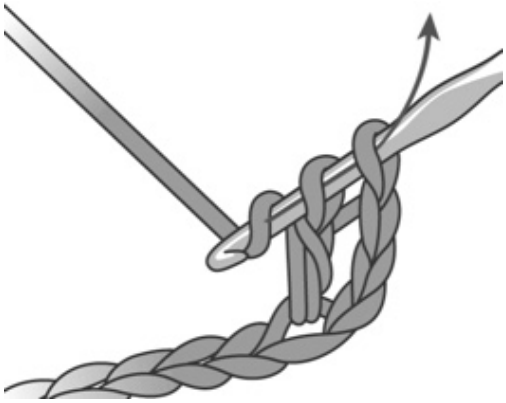


Double crochet (dc)

Yarn over, insert the hook in the chain or in the stitch of previous round and pull the yarn through.



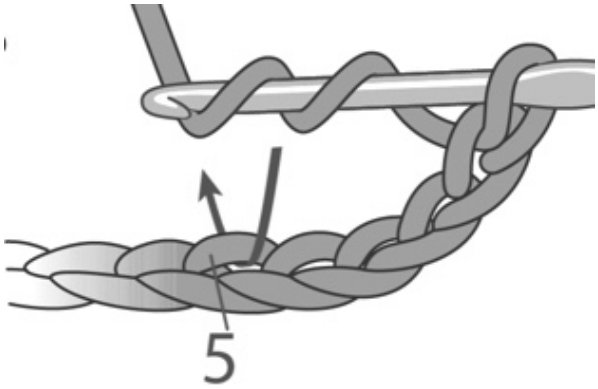
Yarn over again and gently pull the wrapped hook through the center of the first 2 loops on your hook, yarn over again and draw your yarn through the last 2 loops on the hook.



Treble (tr)

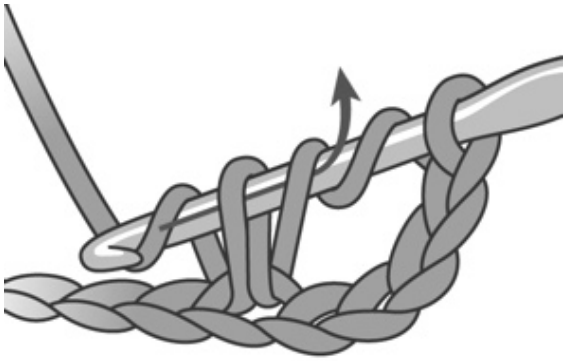
Begin by crocheting a starting chain.

1. To begin crocheting the next treble crochet stitch, take your yarn and wrap it two times over your crochet hook. There will be three loops on the hook all together, including the active loop you already had.

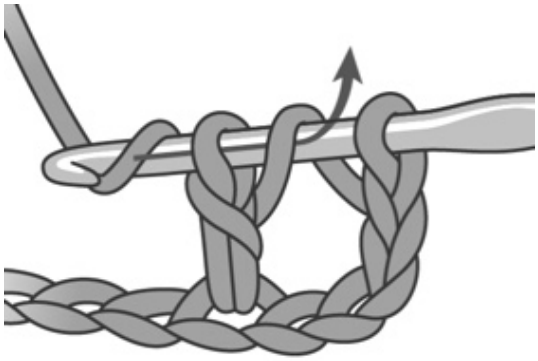


Insert your hook into the next stitch (or fifth chain stitch from the hook). Next, grab the yarn with your hook (yarn over) and pull it through the chain stitch. You'll end up with four loops on your crochet hook

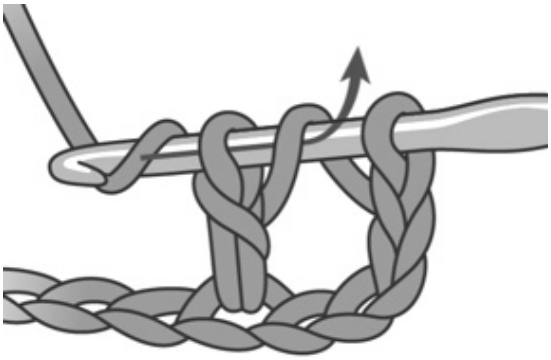
2. Wrap the yarn around your hook again and pull it through the first two of the loops on your hook. Note that you're only pulling through two loops. You'll end up with three loops left on the hook.



3. Wrap the yarn around your hook again and pull it through the next 2 loops on the hook. You'll be left with two loops still remaining on the crochet hook.



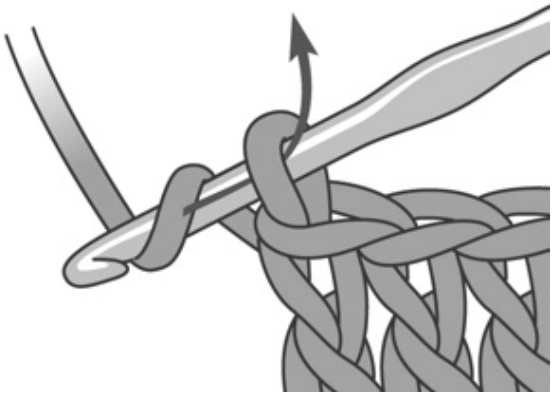
. Wrap the yarn around your hook again and pull it through the remaining 2 loops on the hook.



Fasten Off Yarn

When you get to the end of your crochet design, and you'll need to fasten off the yarn. Fastening off crochet is a fancy way to say, "cut the yarn and secure it."

1. Cut the yarn about 15 cm (6 inches) from the hook then using your hook, draw the cut end of the yarn through the last remaining loop on your hook.



2. Pull gently on the tail of yarn to snug up the end.

This action keeps your work from coming apart without having to make large unsightly knots.

Weaving in ends

When the work is completed, it is necessary to weave in all ends.

1. Thread one end through a tapestry needle

2. Weave the 15 cm (6 inches) tail of yarn up and down through 3 or 4 stitches — kind of in a zigzag pattern (try not to split the yarn of the stitches).

3. To make the end really secure go back the way you came, weaving the end backwards through those same few stitches.

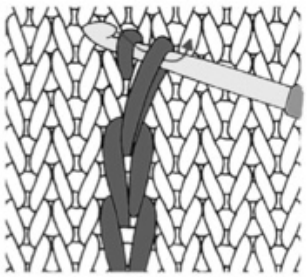
4. Cut the yarn about 0.5 cm (1/4 inch) from the fabric and gently pull the fabric. The end magically disappears, and your work is secure.

Surface Slip Stitch (SSS)

Step 1: Hold the yarn on the wrong side of the work; insert hook through the stitches; yarn over and pull yarn to the right side.

Step 2: insert hook through the stitches again few mm from the previous stich, yarn over on the back side and pull yarn through the fabric to the right side and then through the loop on the hook.

Repeat step 2 as many times as needed.



You can always watch video on youtube.com.

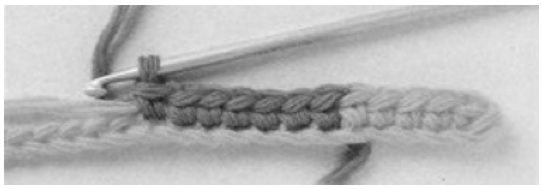
Search for “How to Crochet: Surface Crochet”.

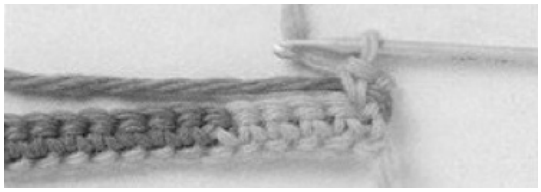
Changing colors

When you change colors, the last sc of one color must be finished with the thread of the other color.

Put free thread along the edge of the last row to hide the end so it is crocheted inside the fabric. The fabric will be double-sided – it will look almost the same at the right side and at the back side.

Make sure that the thread inside the fabric does not tighten it.





Magic ring (circle)

1. Begin by crossing the yarn from the skein (working yarn) over the tail end of the yarn (yarn end) to create a circle (ring).

2. Insert the crochet hook into the circle as shown. Yarn over and pull the yarn from the skein end down through the circle

3. Step 2 will form a loop on the hook and the circle that you will work into. Chain 1 with the skein end of the yarn. This loop is not counted towards the total number of stitches for the magic ring.

4. Insert the hook into circle under both strands of yarn. This step is where you’ll start making a single crochet.

5. Yarn over the hook and pull back through the circle of yarn (two loops on hook), yarn over.

6. Pull back through the two loops on the hook. You have now completed your first stitch, a single crochet in a magic circle (ring). After you finish your first single crochet stitch continue by working the remaining stitches (the single crochet stitch used in the example) into the circle by repeating previous steps.

7. When all the stitches are done, tighten the ring by pulling the yarn end to close the circle. You have now completed a crochet magic ring!

8. This is the first starting stitch for the next round (see arrow below).
